Republic Open Pit Iron Mine

The observation stand is located only 1/2 mile off M-95. Turn east immediately south of the Michigamme River bridge (at Republic Township Beach), then right at the yield sign, then 1/4 mile to stand. A fence crosses the road here but ends at the shoulder. The observation post is up the hill on the right side of the fence.

The Tilden Iron Mine is open for summer tours. Tour one of two working iron mines in the Upper Peninsula. See how iron ore is mined and walk through the plant where ore is processed. Tours run June through August, Tuesdays through Saturdays. Reservations recommended.
